

Presidio Investors and Co-Investors Acquire Majority Stake in Camtech

San Francisco and Irvine, CA, December 21st, 2016 – Presidio Investors today announced that the firm and its co-investors have acquired a majority stake in Camtech, a leading engineering firm and precision manufacturer for the Medical Device, Industrial, and Aerospace verticals headquartered in Irvine California. Terms of the transaction were not disclosed.

Karl Schade, Managing Partner at Presidio Investors, said: “We are very excited to partner with such an innovative and talented management team to help with future expansion. By combining Presidio’s expertise in the lower middle market and Camtech’s market-leading engineering, we see a significant opportunity for growth in multiple verticals in the years ahead.”

Camtech is a critical component manufacturer specializing in complex 3,4 and 5 axis machining of critical components for Aerospace, Medical, and complex Industrial products. The company is a platinum supplier for multiple Fortune 500 companies and continually achieves the highest industry marks for quality and on time delivery.

About Presidio Investors

Presidio Investors, an independent private equity firm based in San Francisco, CA, was founded in 2007 to pursue exceptional lower middle market investments. The firm’s experienced investment professionals specialize in growth-oriented buyouts in the Technology, Media and Telecom (TMT) and Financial Services industries. The entire Presidio Investors team also has substantial operating experience, and works side-by-side with management teams to help achieve the best possible outcome for all stakeholders.
